

A word cloud featuring various ROS (Robot Operating System) related terms. The words are arranged in a dense, overlapping manner with different colors and sizes. The most prominent words are 'ros' in large orange letters, 'python' in large grey letters, 'skid\_ros' in large blue letters, and 'owl' in large orange letters. Other visible words include 'pddl', 'novel\_graph', 'opc\_ua', '3d\_simulation', 'cad', 'orocos', 'fusion\_360\_cad', 'mqtt', 'robo\_dk', 'websockets', 'istm', 'abb\_robot\_studio', 'abb\_robotics', 'rosetta', 'i\_ta\_sc', 'razer', 'based\_skill\_formalism', 'gazebo', 'rapid', 'open\_cv', 'rafcon', 'file\_be', 'robot\_studio', and 'rosetta'.
